

Chester Township Cemetery Ordinance
Ottawa County, Michigan
(Ordinance No. 2017-05-01)

An ordinance to protect the public health, safety and general welfare by establishing regulations relating to the operation, control, maintenance and management of cemeteries owned, controlled or operated by the Township of Chester, in Ottawa County, Michigan; to provide penalties for the violation of said ordinance, and to repeal all ordinances or parts of ordinances in conflict therewith.

THE TOWNSHIP OF Chester (“Township”), COUNTY OF Ottawa, MICHIGAN ORDAINS:

Section 1. Title

This Ordinance shall be known and cited as the “Chester Township Cemetery Ordinance.”

Section 2. Purpose and Intent

The Chester Township Board recognizes and concludes that the proper and reasonable maintenance, appearance and use of the cemetery or cemeteries owned or controlled by the Township is an important function of the government of the Township. It is also important that burials, disinterments and other matters associated with a municipal cemetery are handled in a respectful and proper way in order to promote the safety, public health and general welfare of the community. The Township Board finds that the adoption and enforcement of this Ordinance is in the best interests of the property owners and residents of the Township.

Section 3. Definitions

- (a) A “cemetery plot” shall consist of an area in a Township cemetery sufficient to accommodate one burial space for one deceased person. It shall consist of a land area at least thirty-eight (38) inches wide and one hundred and twenty (120) inches in length. Exceptions may be made with Township permission to accommodate infant burial or the burial of cremains. The sale of a cemetery plot grants right of burial only and does not convey ownership of the land or grant any additional property rights.
- (b) “Township” means Chester Township.
- (c) “Township cemetery” or “cemetery” means any cemetery owned, operated and/or controlled by the Township.

Section 4. Sale of Cemetery Plots; Nontransferable

- (a) After the effective date of this Ordinance, cemetery plots shall be sold by the Township for the purpose of burial for the purchaser of a cemetery plot, or his or her immediate family. No sale shall be made to funeral directors or others, except for those acting as an agent for an eligible purchaser.
- (b) All sales and transfers of cemetery plots shall be made on a form approved by the Township Board and signed by the designated Township official, which grants a right of burial only and does not convey any other title or right to the cemetery plot or burial space sold. Such forms shall be signed by the Township Clerk or Deputy Township Clerk, and shall constitute a permit when approved.
- (c) Cemetery plots may be sold by the Township to any resident or taxpayer of the Township. The Township Clerk is hereby granted the authority to vary the aforesaid restriction on sales where the purchaser discloses sufficient personal reason for burial within the Township through previous

residence in the Township or relationship to persons interred in the Township cemetery involved. Any such decision by the Township Clerk (either granting or denying such variance) may be overturned by the Township Board pursuant to Section 23 hereof.

- (d) At the time of purchase from the Township, each cemetery plot shall be assigned the name of the specific person who shall be interred in that cemetery plot upon death. Each such person must either be a resident or taxpayer of the Township, or be a member of the immediate family of a qualified purchaser. If the owner of a cemetery plot desires to effectuate a name change regarding the assigned cemetery plot, that person must sell the cemetery plot back to the Township and repurchase that space in the name of another eligible person, since cemetery plots are otherwise nontransferable.
- (e) Cemetery plots are nontransferable, but may be sold back for the original purchase price to the Township (for resale by the Township).
- (f) The Township Board shall have the authority to place a limit on the number of cemetery plots sold to a particular person, as well as such person's family and relatives. Furthermore, the Township shall have the absolute right and discretion to determine whether a particular cemetery plot or plots will be sold to a specific person and where such cemetery plot or plots will be located and within which Township cemetery. Such decision shall be based upon reasonable factors, including, but not limited to, the number of vacant cemetery plots available and whether family or relatives of the person seeking to purchase a cemetery plot or plots are buried adjacent or nearby the cemetery plot or plots requested.
- (g) The Township shall have the right to correct any errors that may be made concerning interments, disinterments, or in the description, transfer or conveyance of any cemetery plot, either by canceling the permit for a particular vacant cemetery plot or plots and substituting and conveying in lieu thereof another vacant cemetery plot or plots in a similar location within the cemetery at issue or by refunding the money paid for the cemetery plot to the purchaser or the successor of the purchaser. In the event that an error involves the interment of the remains of any person, the Township shall have the right to remove and transfer the remains so interred to another cemetery plot in a similar location in the same Township cemetery in accordance with law.
- (h) The owner of every cemetery plot shall be responsible for notifying the Township whenever that person's mailing address changes.

Section 5. Purchase Price for Cemetery Plots

- (a) Prices for a cemetery plot are set by Township Board resolution, and included in the fee schedule as reviewed and published annually. Additional burial spaces on a purchased plot are available to be used for cremains or infant burials. The lawful owner of any cemetery plot within the Township shall promptly provide the Township Clerk with any change in that owner's mailing address.
- (b) All charges shall be paid to the Township Treasurer.

Section 6. Grave Opening Charges

- (a) The Township may charge reasonable fees for the opening and closing of any cemetery plot, prior to and following a burial therein, and including the interment of ashes. Such fees shall be set from time to time by resolution of the Township Board, payable to the Township.
- (b) No cemetery plot shall be opened or closed except under the direction and control of the Township Sexton or such other individual as is designated by the Township Board. This subsection B shall not apply to any grave opening, disinterment, or similar matter which is done pursuant to a valid court order or under the supervision and direction of local or state health department

authorities; however, even in such cases, the Township Sexton shall be given at least twenty-four (24) hours' prior notice of when such grave opening or closing will occur.

Section 7. Markers or Memorials; No Monuments

- (a) All markers and memorials must be comprised of stone or other equally durable composition and shall face the same direction as the markers and memorials around them.
- (b) Except for monuments that existed in a Township cemetery before the effective date of this Ordinance, no monument will be allowed or erected in a cemetery. For purposes of this Ordinance, "monument" shall be defined as any marker, memorial, statue or similar item which exceeds thirty (30) inches in height above normal ground level or which has a ground surface area exceeding thirty (30) inches in width (or forty-eight (48) inches in width for a double marker), with an overall height of no more than thirty (30) inches above ground level, including the foundation. Only one (1) marker or memorial shall be permitted per cemetery plot, or one marker or memorial in total where two adjoining plots share that one marker or memorial. Markers shall be no more than thirty (30) inches in width (or forty-eight (48) inches in width for a double marker), with an overall height of no more than thirty (30) inches above ground level, including the foundation.
- (c) The footing or foundation upon which any marker or memorial must be placed shall be constructed by the Township, or such person(s) as may be designated by the Township Board. Fees for such work shall be set from time to time by resolution of the Township Board, payable to the Township.
- (d) Should any monument or memorial (including any monument or memorial that was in place before this Ordinance became effective) become unsightly, broken, moved off its proper site, dilapidated or a safety hazard, the Township Board shall have the right, at the expense of the owner of the cemetery plot, to correct the condition or remove the same. The Township shall make reasonable attempts to contact the owner of the cemetery plot prior to any such work beginning.
- (e) The maintenance, repair and upkeep of a cemetery memorial, marker, urn or similar item is the responsibility of the heirs or family of the person buried at that location. The Township has no responsibility or liability regarding the repair, maintenance or upkeep regarding any such marker, memorial, urn or similar item.

Section 8. Interment Regulations

- (a) Only one (1) person shall be buried in a cemetery plot, except for a parent and infant child or two (2) children buried at the same time when approved by the Township. Up to four (4) cremains burials may be placed on a plot in addition to, or instead of, a traditional vaulted burial. The Township shall be given not less than 36 hours' prior notice in advance of any funeral to allow for the opening of the cemetery plot. The opening and closing of cemetery plots shall be done only by the Township or such person or persons as are designated by the Township.
- (b) The appropriate permit or form issued by the Township for the cemetery plot involved, together with appropriate identification of the person to be buried therein and the burial-transit permit from the health department, shall be presented to either the Township Sexton or the Township Clerk (or designated Township official) prior to interment. Where such permit or form has been lost or destroyed, the Township Clerk must be satisfied, from his or her records, that the deceased person to be buried in the cemetery plot is an authorized and appropriate person for that space before any interment is commenced or completed.
- (c) The surface of all graves shall be kept in an orderly and neat-appearing manner within the confines of the cemetery plot involved.

Section 9. Disinterments

- (a) No disinterment or digging up of an occupied grave shall occur until and unless any and all permits, licenses and written authorizations required by law for such disinterment or digging up of an occupied grave have been obtained from any applicable state or county agency, governmental unit or official, and a copy of the same has been filed with the Township.
- (b) The Township Board shall have the authority to refuse to allow a disinterment or the digging up of an occupied grave (and to refuse to issue a Township disinterment permit for the same) if the disinterment or digging up of an occupied grave is not done pursuant to a court order (issued by a court of competent jurisdiction) or does not have a reasonable basis.

Section 10. Winter Burials

- (a) The Township may charge additional fees for winter burials.
- (b) If a winter burial cannot occur due to inclement weather, frozen ground or similar condition, the deceased person may be kept in winter storage until a spring burial can occur. Written permission by the next of kin or authorized agent must be obtained prior to winter storage. All such winter storage costs shall be paid by the estate of the deceased person or the person's next of kin.
- (c) No winter burials shall occur without the prior consent of the Township Sexton.

Section 11. Cremains

- (a) Cremains may be buried in a container approved by the Township in a cemetery plot or in a columbarium that has been installed by the Township within a Township cemetery.
- (b) No cremains shall be scattered or dispersed within a Township cemetery.

Section 12. Grounds Maintenance

- (a) Flower pots, urns and grave blankets may be placed and maintained at the head stones of graves no earlier than May 1 and must be removed no later than October 1 of each year. Decorations will be permitted for holidays falling outside of these dates, but only for one (1) week prior and one (1) week following the holiday. Veteran flags and flag holders shall be governed by the Veteran's Administration rules and guidelines.
- (b) No grading, leveling or excavating within a cemetery shall be allowed without the prior permission of the Township Sexton or the Township Clerk. Furthermore, no tree, shrub, landscaping or similar plantings shall occur without the prior permission of the Township Sexton or the Township Clerk.
- (c) No flowers, shrubs, trees or vegetation of any type shall be planted outside of an urn. Any of the foregoing items planted without Township approval will be removed by the Township or the Township Sexton.
- (d) The Township Board reserves the right to remove or trim any existing trees, plants or shrubs located within a cemetery in the interest of maintaining proper appearance and the use of the cemetery.
- (e) Mounds, bricks, blocks and any borders that hinder the free use of a lawn mower or other gardening apparatus are prohibited.
- (f) The Township Sexton, or cemetery maintenance personnel shall have the right and authority to remove and dispose of any and all growth, emblems, displays, containers and other items that through decay, deterioration, damage or otherwise become or are unsightly, a source of litter or a maintenance problem.
- (g) Surfaces other than earth or sod are prohibited.

- (h) All refuse of any kind or nature including, but not limited to, dried flowers, wreaths, papers and plastic flower containers must be removed from the cemetery within 10 days after a burial.
- (i) No glass containers or items are allowed.
- (j) Except for markers, memorials, flowers, and urns expressly allowed by this Ordinance, and veteran flags as authorized by law, no other item (including, but not limited to, ornaments, signs, trellises, statues, benches, landscaping, bricks, stones, grave border materials or other structures) shall be installed or maintained within a Township cemetery, nor shall any grading, digging, mounding or similar alteration of the ground or earth occur except as authorized by this Ordinance or by the Township.

Section 13. Disclaimer of Township Liability and Responsibility

Every person who enters, remains in and travels within a Township cemetery does so at their own risk. The Township is not responsible for any injury, accident or other calamity that might occur to any person present in a Township cemetery. Furthermore, the Township is not responsible for any damage or vandalism to, theft of or deterioration of any burial monument, headstone, flower urn or other item placed at or near a cemetery plot, burial site or anywhere in a Township cemetery. The purchaser or transferee of any cemetery plot or the equivalent (and all subsequent transferees, assigns, heirs, or beneficiaries) hereby releases, waives, indemnifies and holds harmless the Township for, from and against any injury, damages, causes of action, claims, costs and expenses associated with, relating to and/or involving the cemetery plot or similar right, any headstone, monument or similar items, and any matter related to the cemetery involved. Such waiver, release and hold harmless provision shall apply not only to the Township, but also as to the Township Sexton and any Township employee, officer, official or agent.

Section 14. Forfeiture of vacant cemetery plots or burial spaces

Cemetery plots or burial spaces sold after the effective date of this Ordinance and remaining vacant for fifty (50) years or more from the date of their sale shall automatically revert to the Township upon the occurrence of the following events:

- (a) Notice shall be sent by the Township Clerk by first-class mail to the last known address of the last owner of record informing him/her of the expiration of the 50-year period and that all rights with respect to said plots or spaces will be forfeited if he/she does not affirmatively indicate in writing to the Township Clerk within sixty (60) days from the date of mailing of such notice of his/her desire to retain such burial rights; and
