

UPCOMING PUBLIC WORKSHOPS!

Thank you for completing the Chester Township community survey. The next public participation opportunities are coming up in December. Three separate workshops will be held to discuss the Conklin area, the Crockery Lake area, and the Agricultural zoning district. All in-person workshops will be held at 6:30 p.m. at the Chester Township Hall, 3509 Sehler St, Conklin. We will also hold a virtual (Zoom) workshop for any members of the public who cannot attend the in-person workshops. The virtual workshop will be held at 6:30 p.m. and will combine all three of the in-person workshops.

We anticipate the workshops to take 2 to 2 ½ hours. *Please bring a 4G, 5G, or WIFI-capable device to participate in real-time interaction.* Kids are welcome!

If you plan to attend, **please RSVP julie@freshcoastplanning.com or call 616.899.5544 no later than the two days prior to the workshop!**
